

## Project Description **Networking trip to Ukraine**

**On 29 October to 3 November 2016 25 NGO representatives from Germany and other European countries will visit Kyiv.**

**The aims of the project are:**

- to improve the knowledge about and the **understanding of the current situation in Ukraine** within the European Movement
- to create and **intensify relations between the European Movement and Ukrainian NGOs** and to improve perspectives for enhanced future cooperation
- to **improve conditions for a European Movement Ukraine** to be established and developed.

Das Programme includes **four thematic parts** to be addressed:

- Kyiv and the recent Ukrainian past (Euro-Maidan and revolution)
- The current political situation of Ukraine
- The role of civil society and public diplomacy
- Shaping a European future of Ukraine

We arrange optional visits to various organisations and institutions in Kyiv. Many of them contribute to this project.

The project is being implemented by the association Citizens of Europe, which is member of the European Movement Germany.
